5. Super Hard Foam
6. Coconut Fibre
7. Cotton Felt
8. 7 Zone Pocket Spring
9. Cotton Felt
10. Base Support Foam

Cool Silk Plus Series mattress equipped with Premium Cool Silk, G-Plus and Sanitized Technology.

G-Plus, an innovative Graphene material with exceptional antibacterial properties, ensures a cleaner, more comfortable sleep surface by deactivating bacteria and dust mites while improving blood circulation and cell oxygenation for better sleep quality.

Moreover, Sanitized Swiss Technology offers remarkable antibacterial properties for enhanced mattress hygiene and healthy sleep.
